

Diamonds are forever

Sophisticated diamond saw blades are now more easily accessible and affordable thanks to the launch of a range of diamond saw blades, which are perfectly suited for smaller scale projects, by Diamond Products.

The Enduro Purple range of blades are custom-built for use on either 115mm or 230mm angle grinders and are designed for use in applications that include plumbing, paving, electrical and general construction. The new range of diamond saw blades is specially

designed with cost in mind, and is available at selected hardware stores across South Africa.
