

DP-480 ADVANTAGES:

- Strong and durable construction
- Highly portable and manoeuvrable
- Offers wet and dry grinding

DP-480 Triple Head Floor Grinder

The floor grinder uses Diamond Products 180mm diamond cups. The cups are available in a coarse, medium and fine diamond and PCD. Applications: Concrete, Stone, Asphalt, Glue, Waterproofing and Epoxy.

Features

- The floor grinder is fitted with a powerful 2,2kW single phase motor.
- The dust shroud system is a unique design automatically adjusting to suit segment height and floor angle.
- The grinder can be used wet or dry.
- The shroud system can be connected to a Diamond Products dust collector to eliminate dust while grinding.
- The floor grinder has a folding handle which enables it to be easily transported.
